

Orthopedic care, close to home.

Introducing **Adam Holleran, M.D.**, seeing patients at Mee Memorial Healthcare System for all types of Orthopedic Services. We'd like to remind you and your patients — you can stay local while receiving the highest quality care.

It's easy to make an appointment for a pre-op consultation or for post-operative care at either of our King City or Greenfield clinics. Where possible, Dr. Holleran uses the latest, minimally-invasive, arthroscopic procedures, on an outpatient basis, which means:

- **Minimal downtime**
- **Less-bleeding**
- **Faster recovery**

Please send all referrals by fax to

(831) 674-4199 for Greenfield

(831) 385-5940 for King City

Mee Memorial

Adam Holleran, MD

The body's system of muscles, bones, joints, ligaments and tendons work hard to keep you moving. When something goes wrong, let us examine and treat your musculoskeletal system so you can get back to normal, fast. We treat issues such as:

- **Hand/Wrist**
 - Trigger finger, carpal tunnel, cysts
- **Shoulder**
 - Frozen shoulder and rotator cuff injuries
- **Arthritis**
 - Hip and knee replacement
 - Pain management
- **Sports Injuries**
 - Knee, shoulder and ankle
- **Elbow Pain**
- **Foot Pain**
- **Fractures/Trauma**
- **Sprains/Strains**

Spanish speaking and interpreters available.
